"SR'S '60"

COMPLIMENTS OF  
"Silver SPUR" STAFF  
OF 1958

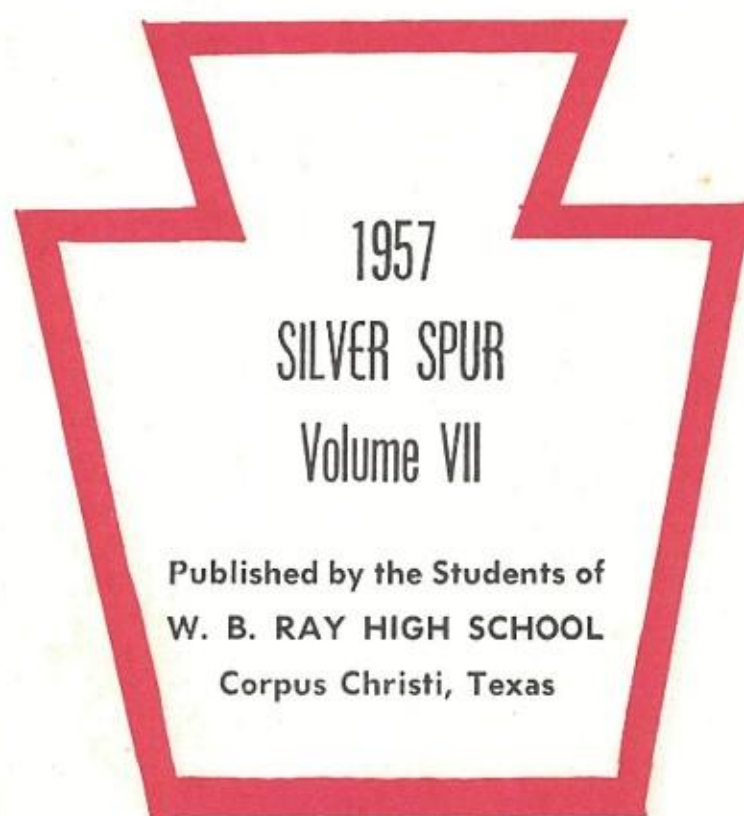

## • F O R E W O R D •

During this past year we have had many thrilling experiences. It has been a year packaged with surprises, fun, changes and memories. Many of these are pictured in this edition of the Silver Spur.

As you look through this book, stop and think of the past—the victory on the football field, six weeks tests, the Favorites Dance — and remember how you have laughed, wept, shouted and loved '57's varieties.

## • D E D I C A T I O N •

The Silver Spur Staff takes pleasure in dedicating this yearbook to the W. B. Ray Administration and Faculty. The students have looked to them for leadership, knowledge, and wisdom, each of which has been given freely and unselfishly.

We, of the staff, as well as the student body, wish to express our appreciation for a job well done.

# SENIORS

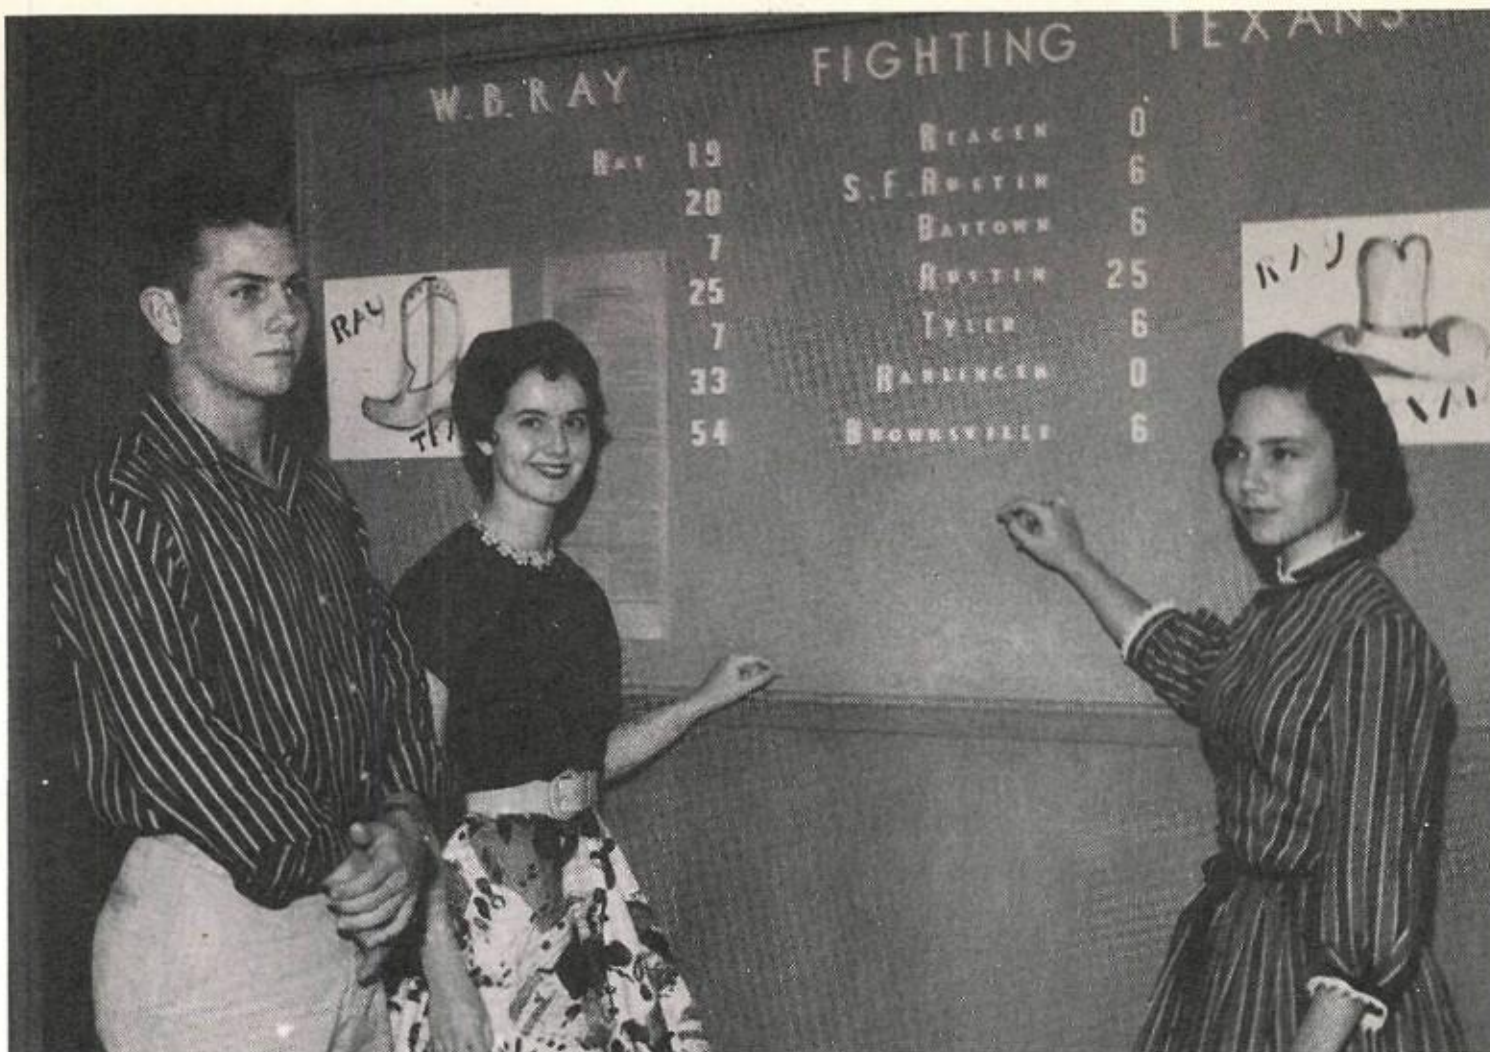

At last the goal has been reached. The goal of wearing a senior ring, of going to parties, of making the honor roll, and of walking across the stage to receive a diploma.

The joy of knowing what we have accomplished and the challenge that lies ahead are a part of it all.

As we walk this road knowing that there is an ever present Guide to help us, let us think back to the past; to the hard work, the quiet rustle of paper during tests, the high spirited yells at football games, the many good times, and to the Senior Class of '57. Let us know that though this is the end, it is also the beginning.

# FIGHTING TEXAN BAND . . . PRIDE OF RAY

TOP ROW: Jean Flint, Janie Mays, Dorothy Moody.  
BOTTOM ROW: Susan Smith, Nancy Mangum.

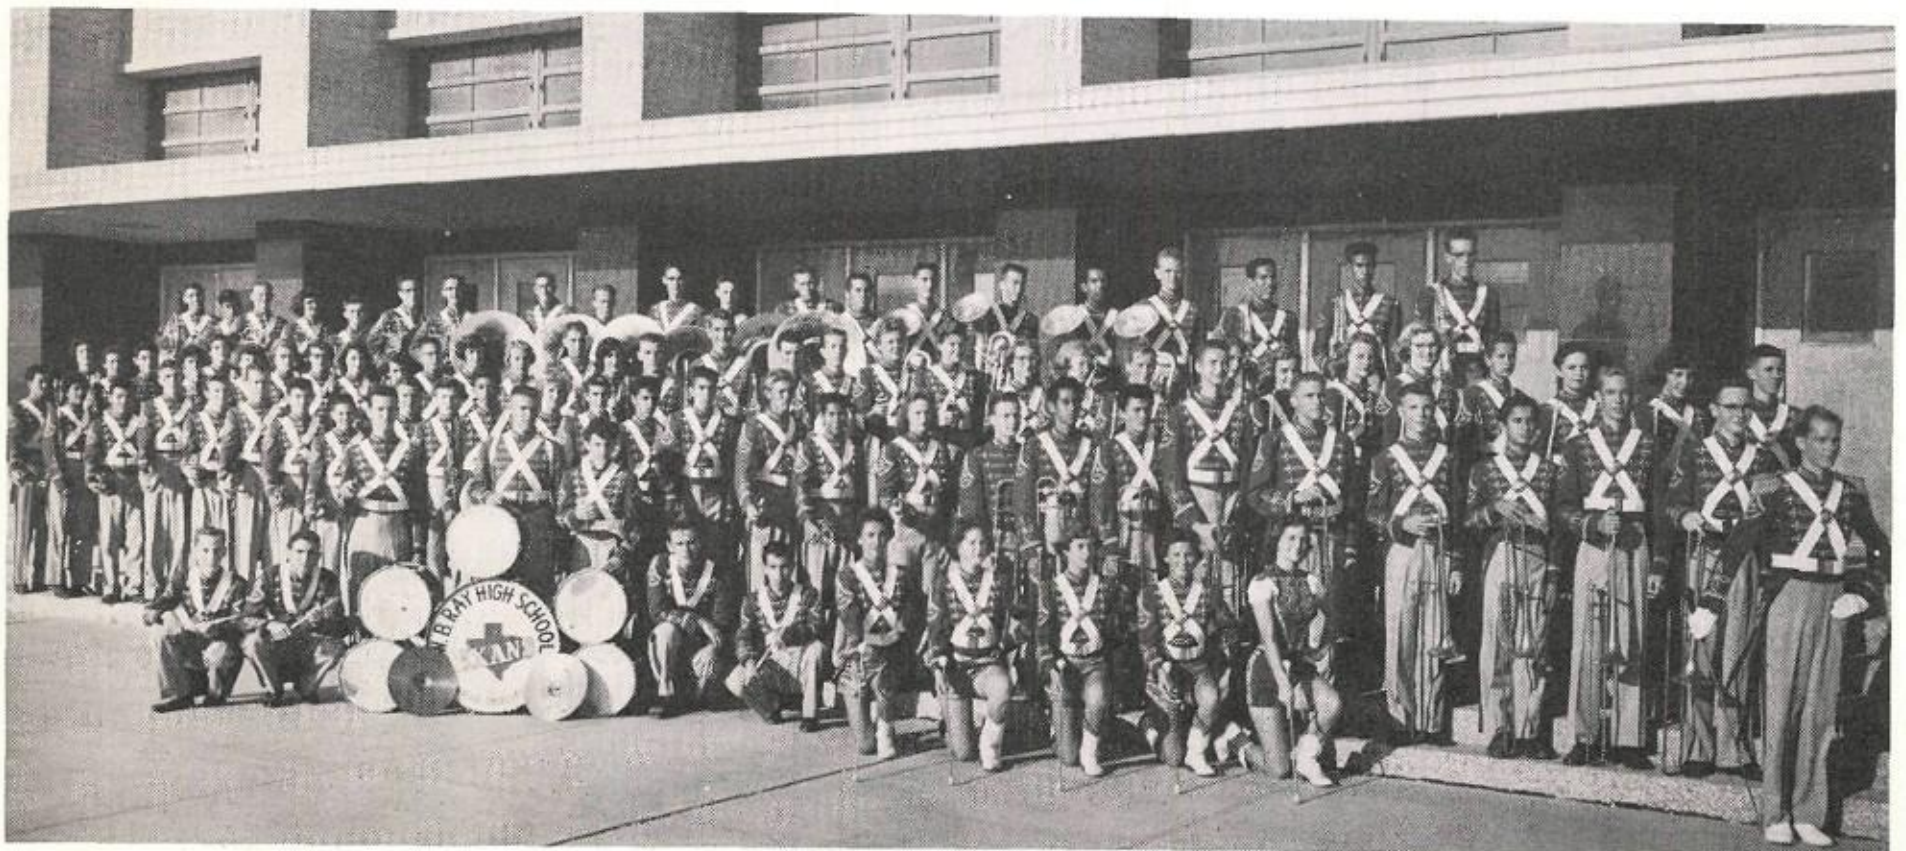

In thinking of Ray we always think of the Texan band. The hard work and many hours of drill and practice give fine results at the half time shows during the football season. The pep rallies wouldn't be the same without their "real gone" music.

The band is directed by Mr. Ray Chiorgno. Mr. Chiorgno has done a fine job with the band during this year, his first at Ray.

Our hearts swell with pride when we hear the mention of "The Band of the Fighting Texans."

Out in front of the band this year are our majorettes, Dorothy Moody, Susan Smith, Nancy Mangum, Jean Flint, and feature twirler, Janie Mays.

Wearing their scarlet and silver uniforms, they added color to each splendid half-time show.

W. B. RAY ORCHESTRA

A CAPPELLA CHOIR

GIRLS' CHOIR

BOYS' CHOIR

Bill Smith, Carlos Wilson, Bill Chidester, Donna Hollis and Nan Rogers made the all-regional band.

This school year has been a busy one for the W. B. Ray Choirs. The A Cappella Choir has performed for almost all the Men's Service Clubs; Thursday Music Club; various church groups; participated in the University Interscholastic League Contests in Kingsville in March; performed for four school assemblies; sang for Commencement; had the honor of having nine of its members represent Region VII of the Texas Music Educators in the All-State Choir in Dallas in February; and, of course, the highlight of the year was its annual spring trip, which this year was made to the Valley as a Concert tour.

The Girls' Choirs have also been active in performing for school assemblies, various church groups, Interscholastic League Contest, and Baccalaureate. In all, it has been a most rewarding and successful year.

FIRST ROW: Carol Guergin, Rosalie Roe, Barbara Knapp and Georgia Gilliam.  
SECOND ROW: Jerry McCoy, Gary Bigger, Cathy Jones, Anna Henny, Gary VanFleck and Ronnie Cooper.  
THIRD ROW: Bill Haymaker, Gaston Maurin, Jim Wells, Joe Selby, Bobby Goldreyer, Joe Armistead and John Askins, All-State Choir members.

Bob White, Barbara Beechum, and Marjorie Walger, All-State orchestra members.

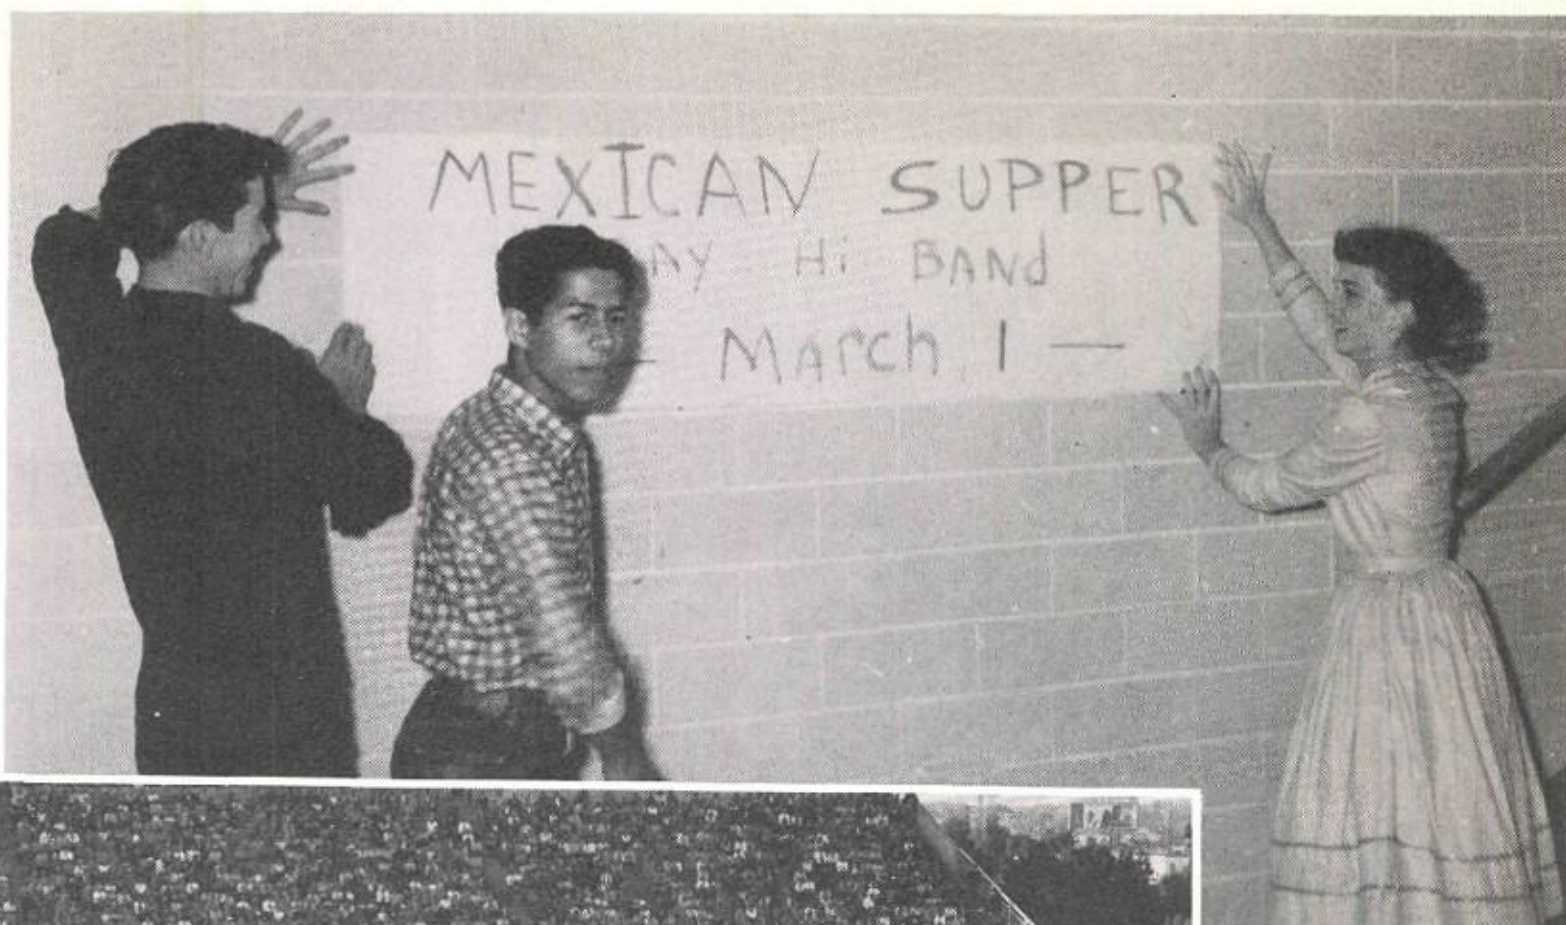

Jerry McCoy, Barbara Knapp, Jackie Roberts, and Garland Kneten were chosen choir officers this year.

Linda Hicks, Barbara Garey, Pat Huckleberry, and Wanda Sue Rice take good care of the music library.

Danny Jones, Robert Trevino, and Eloise Johnson paint signs for the Band Mexican Supper and hope everyone will come.

Another fine half-time show presented by our Fighting Texan band.

Our majorettes and drum major stand at attention before working on a routine.

# STUDENT COUNCIL

Tony Harvey speaks at an assembly.

The Student Council strives to improve conditions in the school and community, to encourage more and better participation by students and faculty in school activities, and to serve as the voice of the student body in all matters concerning the students of Ray High School. In an effort to attain this goal, many activities and projects are planned and sponsored by the students who are chosen to serve as representatives in the Council.

One of the activities of the Student Council is the Leakey Workshop. Held at H. E. Butt Foundation Camp in Leakey, Texas every year, this workshop not only teaches the new council how to work effectively together, but orientates the new representative to parliamentary procedure and the work of the Student Council.

The Student Council is also putting its Foreign Relations plans into effect this year. These plans, as put forth by Jerry North and Jerry Osborne who visited Europe last summer as part of the NASC European Tour, are exemplified in the possible coming of a Foreign Exchange Student to Ray High School.

Sponsor . . . . . Miss Oneta Cummings

Months of preparation and hard work, as well as lots of fun go into the making of the Silver Spur. Each member of the staff eagerly anticipates the completed annual as well as its effect on the student body.

## DEADLINE TODAY!

For those who choose to read behind the lines of El Tejano, bi-weekly publication of the journalism department, the Press Room is the place to go. There, amid the confusion of deadlines, are the inner workings of the newspaper.

Achieving order out of chaos is the difficult task of the four page editors of El Tejano, first place winner in THSPA. Mary Franklin, Editor-in-Chief, makes up page 1; Rita Ray, Assistant Editor, makes up page 3; Morris White, Feature Editor, makes up page 2; Nick Adams, Sports Editor, makes up page 4.

Art Editor, Johnny Powell, is the only sophomore on the editorial staff; Sondra Grizzell is rewrite editor; Nancy Ashmore is advertising editor; and Barbara Knapp is exchange editor.

First year students of journalism do most of the writing for El Tejano with the editor doing the necessary polishing and editing.

# JOURNALISM BRAIN TRUST

Quill and Scroll membership involves scholarship, good character, publications know-how, and recommendation of the sponsors.

Two elections are held each year, one at the end of the first semester and one in May. Twelve members are now in the Ray High Chapter.

The final gun has sounded to bring an end to the 1956 football season. It was the greatest year in the history of Ray for the Fighting Texans. No team in the past at Ray ever accomplished what the Texans have done this year. Looking over the team, we find no outstanding stars. It was the organization of team work, and the desire, and will to win that made them mature into greatness. We are very proud of this year's Fighting Texans.

The Texans met a surprisingly tough Stephen F. Austin. The team trailed Austin at half time 12-6 with Arthur McCallum making the only Texan score in the first half. Trailing in the fourth quarter, with only four minutes left to play, Bobby Myers sent 55 yards for the T. D. and Arthur McCallum kicked the extra point.

Revenge was good as the Texans were twice defeated by Baytown in the State playoffs. Baytown made the first score of the game in the first quarter and missed the extra point try. In the third quarter Myers went straight through the Baytown line 17 yards for Ray's score. Tillman made the difference when he kicked the extra point.

The second score came when Tillman went through the Miller line from the 33 yard line for the score. Myers was the outstanding player on the field by blasting out big chunks of yardage for the Texans. The next Ray score came with a pass from McCallum to Holiday in the end zone for the third Texan T. D. The Bucs' only T. D. was a pass from Butch Ladewig to Leo Gonzales in the end zone. Parks made the last T. D. of the game from the Miller 17. This gave the Texans their ninth victory with only one tie to Austin of Austin.

A short Waco punt accounted for the second T.D. Waco fumbled on Ray's one yard line and Myers recovered. With just 4 seconds left in the first half, McCallum threw a pass into the arms of Bart Shirley. The Texans struck like lightning in the third quarter with Parks scoring from the Waco four yard line. Later in the third quarter the Texans scored their final touchdown when Oliver shot through the middle of the Waco line and went 43 yards for the score. This victory gave the Texans the privilege of playing Alice for the quarter finals. The Texans rolled up 349 yards rushing.

The 1957 tennis teams, coached by Frank Whaley, are headed for a fine season. All the many days of practice pay off at tournament time. In 1956, the teams achieved an outstanding record and this year's teams plan to surpass that record. Sportsmanship, as well as skill go into the making of the tennis teams we think are tops.

# GIRLS' PHYSICAL EDUCATION

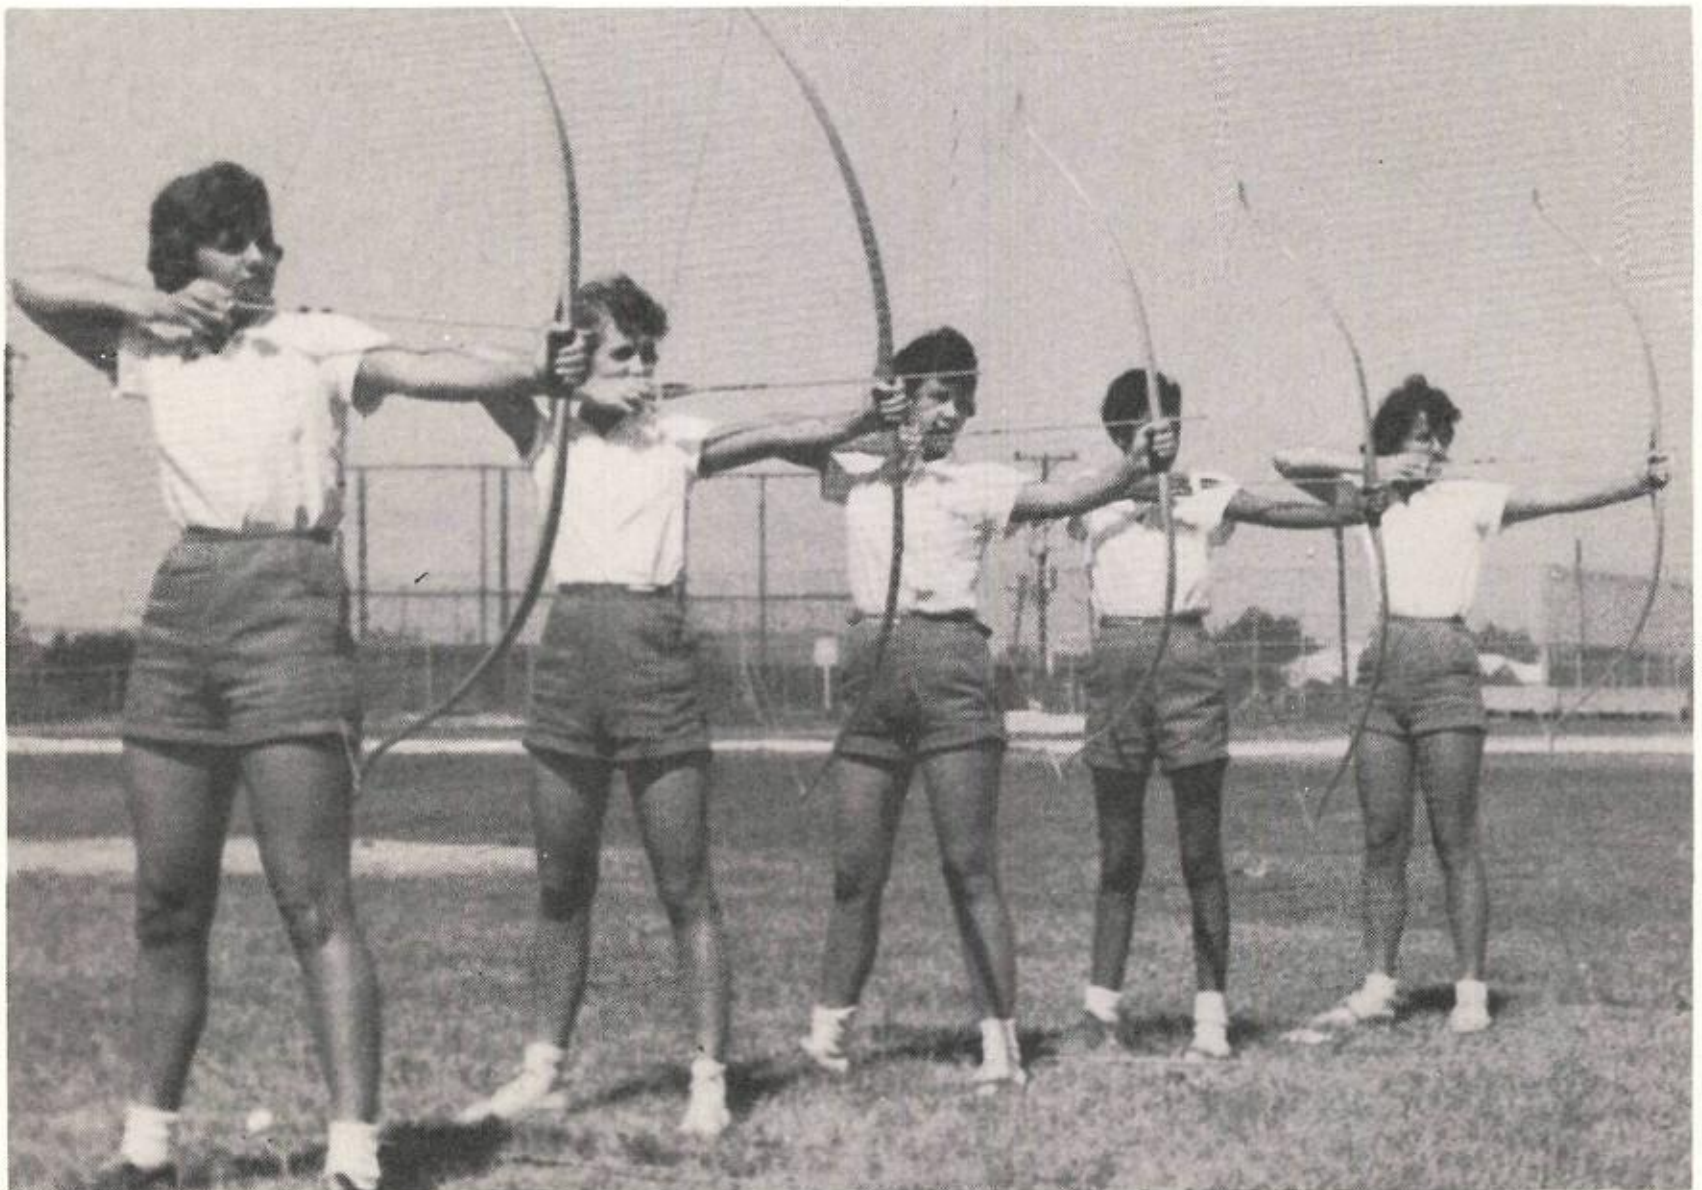

GIRLS' PHYSICAL EDUCATION INSTRUCTORS: Miss Challie Thornton, Miss Elorine Regner, Miss Frankie Clark, Miss Margaret Bray.

The excellent girls' Physical Education department at Ray is enjoyed by many. The girls are trained in mind and attitude as well as physical development.

Many popular sports are carried out in physical education. Archery, baseball, speedball, volleyball, plus health and first aid are a part of this program.

Archery is one of the many sports offered in Girls' Physical Education.

Well, I finally made it!

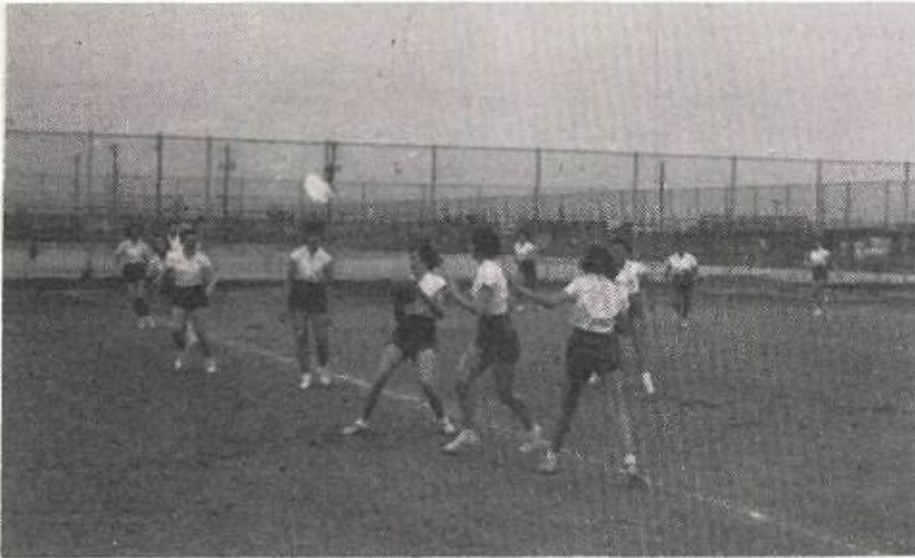

Now watch this lob!

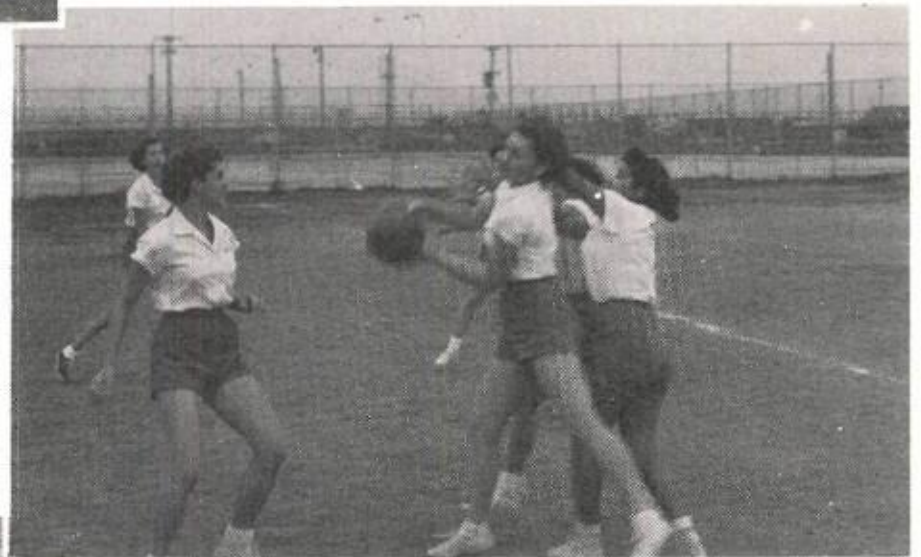

What's this? Tennis-ballet?

Somebody help me!

No fair climbing, that's a foul.

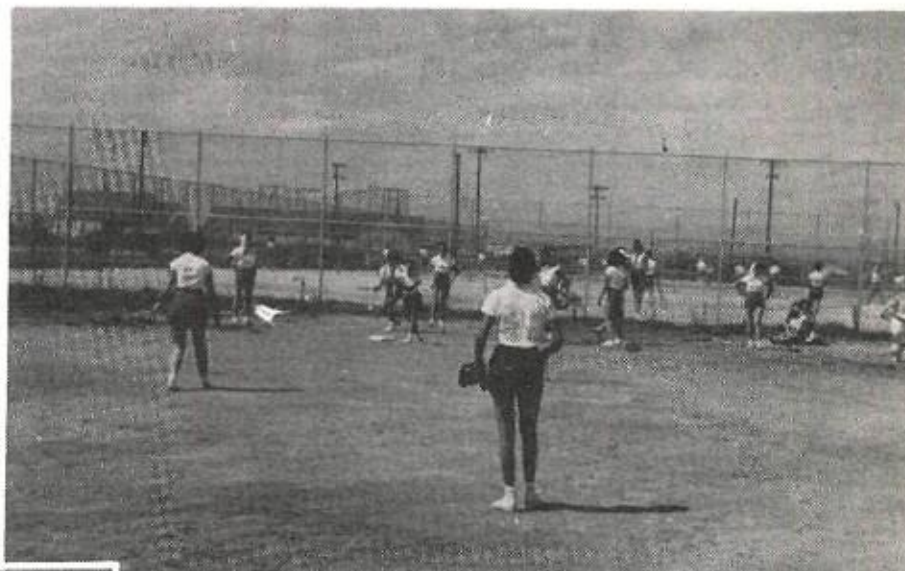

... and it's a mighty drop kick!

Watch it, don't step out of bounds!

O. K.! Let's have some action!

This better be a strike.

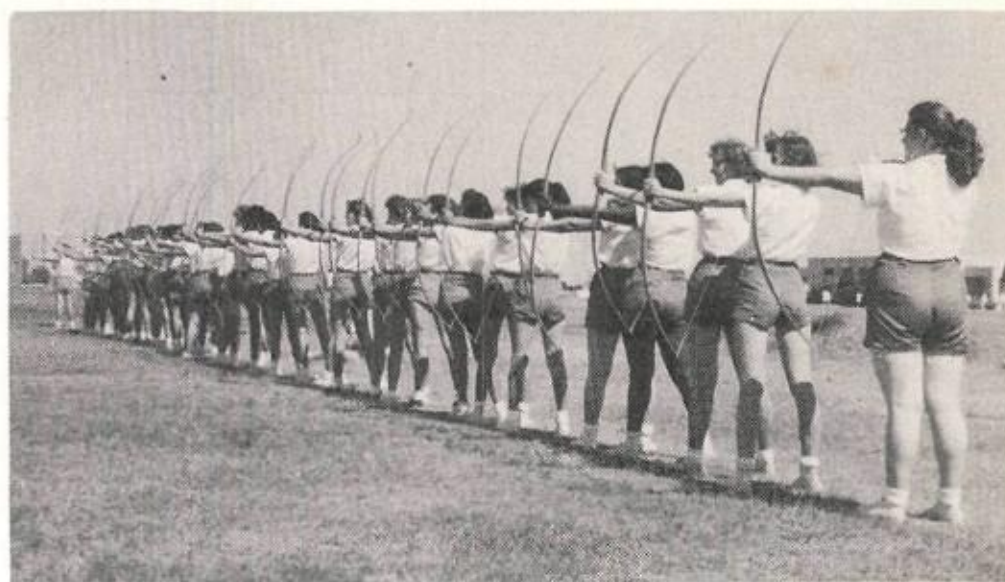

Here's a "homer" for sure!

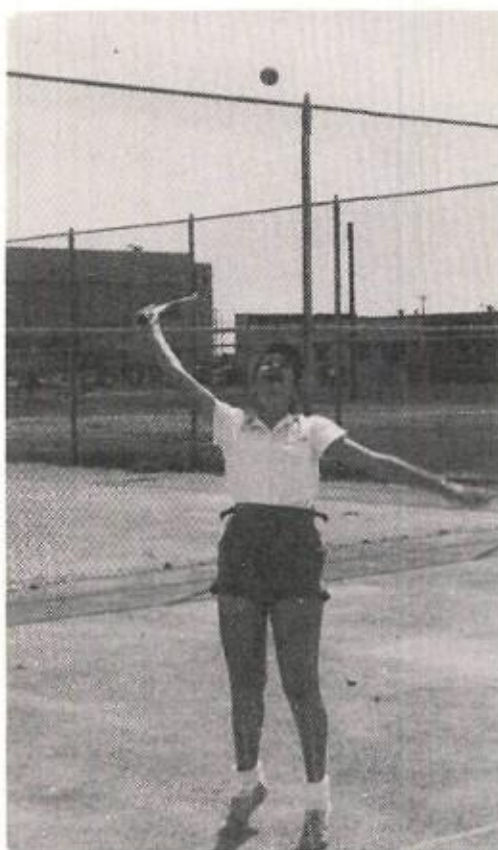

Now, now, girls, it's only a game.

Ready . . . aim . . . fire!

What do you think I am,  
a giant?

Boy! What a team!
